Washington Street United Methodist Church Preschool admits children of all racial, national, socio- economic, cultural, and religious backgrounds. Cultural and religious traditions at holidays are incorporated into the program with the Christian traditions being emphasized. Washington Street UMC Preschool is committed to meeting the needs of each enrolled child, and as such welcomes applications of children who require financial assistance, and those with special needs such as children with minor disabilities/developmental delays, and minor medical conditions. To discern whether WSUMCP might be an appropriate placement for your child with special needs, please schedule a meeting with the Director to discuss your specific situation when applying for enrollment. Enrollment of children with special needs will be considered on a case-by-case basis to assure proper placement, *before* admission to the Washington Street UMC Preschool. In order to provide the best possible preschool experience for each student, accommodations for children with special needs will be made in consultation with the family and any appropriate medical and/or educational intervention personnel working with the child.

Washington Street UMC Preschool reserves the right to decline an enrollment application, or withdraw a child from the preschool program if, in the opinion of our staff, any child seems unable or unwilling to participate meaningfully in the classroom setting, poses a danger to him/herself or others, if enrollment is not in the best interests of the preschool (including a lack of cooperation by parents), or that the child's needs can be better met by another program.

I hereby certify that the information supplied by me in the above application is true and correct. I have read and understand the Application Process and Admission Policies and agree to provide Washington Street United Methodist Church Preschool with the appropriate documents and fees prior to my child's attendance at WSUMC Preschool in a timely manner.
